Completion Times

Buck Scrape Taxidermy makes every effort to maintain a reasonable completion time. In most cases work is completed within 8 to 12 months from confirmation and receipt of deposit. Completion dates will vary depending on workload.

Tanning

The quality of the finished tanning cannot be guaranteed due to conditions beyond the tanner's control; such as improper field care and storage, climate factors, primness of furs and season in which kill was made.

Loss due to Damages

In the case of damages to the trophy while in the possession of Buck Scrape Taxidermy (i.e., fire, thief, etc.), Buck Scrape Taxidermy will refund the replacement, at fair market value, of the cape, hide and/or antlers. However, Buck Scrape Taxidermy is not responsible to refund the price of the hunt and other expenses accrued to harvest the animal.

A 50 % deposit is required before any work will be done on the mount. The remaining balance is due within 30 days after the customer has been notified that the mount is completed. Finished mounts not picked up after 30 days will be charged a storage fee of 1% per day unless other arrangements have been made. If the customer decides not to have the trophy mounted, a 20% of the mount fee will be charged for work done up to the green stage of the mount.
